
Site Name

Site Address

On behalf of the Huntington Study Group's Credentials Committee and Executive Membership Committee, we extend our gratitude for your interest in becoming a Credentialed Investigator or Coordinator Member and Credentialed Site with the Huntington Study Group (HSG). We appreciate your dedication and commitment to accelerating treatments that make a difference for those impacted by Huntington's disease (HD).

As a Credentialed Member of the HSG, you will be joining a distinguished network of scientific investigators, coordinators, and clinicians. Since 1993, our members have been actively involved in conducting controlled clinical trials and other research initiatives aimed at enhancing HD treatments. Our Credentialed Membership predominantly comprises experts from academic and research centers, united in their focus to advance knowledge about the causes, pathogenesis, and clinical implications of HD. By implementing, analyzing, and reporting on controlled HD clinical trials and other initiatives, we strive to explore promising therapeutic interventions.

HSG Credentialed Members may have the opportunity to participate in HSG trials, studies, and other HSG initiatives. Sponsored clinical trials or studies will be conducted through HSG's clinical research organization, HSG Clinical Research, Inc., supporting HSG's mission for the design and execution of trials for HD. All activities of the HSG align with our overarching mission of accelerating treatments for those affected by HD.

Each Credentialed Member and Site is expected to uphold the HSG's principles, guidelines, and policies regarding the conduct of trials, studies, and initiatives. In addition, participants must acknowledge that involvement in any HSG trial, study, or initiative may entail specific regulatory, legal, financial, and sponsor-related obligations. Therefore, by signing below, you are agreeing to the following:

1. Maintain the highest level of professional and personal standards of conduct while working with, for, or on behalf of the HSG or HSGCR in clinical trials, studies, projects, initiatives, or any other sponsored endeavor by the HSG or HSGCR.
2. Dedicate yourself and your site to HSG's principles, which include:
 - open and transparent scientific communication
 - peer review in accordance with HSG's publications policies
 - full and open disclosure of potential conflicts-of-interest
 - educating professionals, including HSG's membership, and the public about HD

By signing below, you affirm, that if approved as an HSG Credentialed Site, you and your site will uphold the aforementioned HSG principles and carry out HSG research in compliance with the relevant requirements and standards of each trial or study.

Sincerely yours,

Dr. Bonnie L. Hennig-Trestman
Chair, HSG Credentials Committee
